R i s i n g

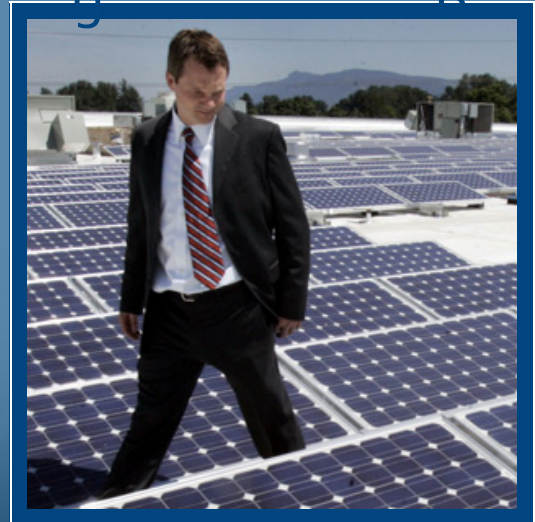

Know someone who's obviously going to go far in a career? Or someone who always finds time to help out a nonprofit and gets rave reviews at work? Nominate that emerging business leader for a 20under40 award.

Mercedes-Benz of Eugene and *blue chip*, Lane County's monthly business magazine, teamed up to launch this award competition and invite nominations by October 8.

Winners will be recognized for their accomplishments and potential in the December issue of *blue chip* and at an award reception on Tuesday, December 7 at 5:30 pm at the Eugene Hilton.

Each will receive a custom-designed clock created and produced by Crosby & Taylor, as well as a gift basket from merchants at Valley River Center.

Businesses are invited to become [partners](#).

2009 winner: Dean Papé
DeChase Development Services, LLC
